

Bringing expert knowledge to your environment.

CAPABILITY STATEMENT – IT CONSULTING

RSM services for IT Consulting

HOW WE CAN HELP?

RSM's IT Consulting team can help you to streamline your IT solutions and assist in reducing your company's overall IT and labour costs.

We will provide a technical review of your systems, identify effective strategies and make an action plan to help you decrease your current IT costs and improve your overall system productivity.

KEY CAPABILITIES

RSM can assist you with the following services:

High Level IT Systems Audit

RSM can conduct a review your current IT resources and identify cost saving strategies including resourcing/ restructuring inhouse IT services and system upgrades.

Security Services

We can review, analyse and implement solutions that ensure your systems are highly secure and resistant to cyber threats.

Support & procurement of IT equipment

RSM can arrange support and procurement of IT equipment including monitors, laptops, webcams and headsets.

Management of resourcing & restructuring of IT services

We can manage and implement the resourcing and restructuring of inhouse IT services.

Outsourcing of IT Services

RSM can provide full or partial managed IT and project services across multiple technology streams.

BENEFITS OF OUTSOURCING YOUR IT SERVICES

Effective Management of IT Spend

Outsourcing your IT ensures that you can manage and predict your operations budget effectively.

Better compliance & security

By utilising RSM professionals you can be assured that your company is minimising the risks associated with securing your intellectual property and client data.

Stay focussed on your business

We can review weaknesses within your IT system and provide strategies on how to strengthen your systems.

Through our knowledge of IT solutions, and the close relationships we develop with our clients, we are able to help your business achieve its goals.

WHY YOU SHOULD APPOINT RSM

Leading industry expertise

We have a local team with experience across several fields including cyber security, infrastructure management, IT management and support. We are software and hardware agnostic, can manage and support specialised software and platforms and assist growth in companies expanding across regions, states, territories and countries.

Access to senior advisors

Our senior IT consultants have the combined experience of over 60 years in the IT sector working within a diverse range of industries such as Engineering, Finance, Government, Health, Mining, Not for Profit and Oil & Gas.

We pride ourselves on delivering solutions which are cost effective, provide the best value for our clients and are delivered on time. We understand the importance of working closely with our clients to accommodate IT growth whilst maintaining cost and maximising efficiency.

Understanding your business

Our client relationships are based on mutual respect and collaboration. We will immerse ourselves in your business, gaining a deeper understanding of who you are and what you want to achieve. By fully understanding your goals and measures of success, we will support and empower you every step of the way, maximising your potential.

OUR KEY VENDORS

RSM is committed to helping companies like yours improve at every turn. Whatever the challenge, we strive to understand your business and deliver objective advice and high quality, customised services that help you make more confident business decisions.

We support our clients both local and national by partnering with some of the leading vendors and subject matter experts including;

FORTINET

ABOUT RSM

RSM is a leading mid-tier accounting and business advisory firm in Australia and was founded in 1922. Today, we are uniquely placed in the Australian accounting profession; we are a national partnership with 147 Partners, Directors and Principals with over 1,200 staff operating from 30 offices throughout Australia.

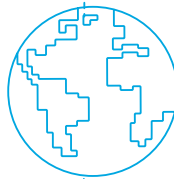

In addition to our offices throughout Australia, RSM is also the Australian member firm of RSM International, the sixth largest network of independent accounting and consulting firms in the world. Our RSM network is across 120 countries and 810 offices.

We will ensure that your organisation stays at the forefront of the world's best practices, technology and innovation within a rapidly changing global economy.

It is our strong collaborative approach that differentiates us. We will strive to truly understand you, your strategies and aspirations and endeavour to be considered the advisor of choice to your business. We will identify emerging opportunities and pre-empt challenges with the right solutions by truly understanding every client and their business environment.

We will bring our expert local and global knowledge and resources to your environment, so you feel understood and empowered to move forward with confidence.

This is the power of being understood. This is the RSM experience.

- 6th largest global audit, tax and consulting network
- Firms in 120 countries and in each of the top 40 major worldwide business centres
- Over 43,000 in 810 offices
- Clients from growth-focused entrepreneurial businesses through to leading multi-national, cross border organisations
